

29/02/24 WALT: understand the functions of adverbs in sentences.

adverb:

a word that tells you more about a verb, adjective, or adverb by answering one of five questions

How?

angrily
hungrily

When?

yesterday
tomorrow

Where?

here
there

How Often?

always
never

To What Extent?

almost
very

Emily is cautiously rock climbing in the playground, as her hands were starting to ache painfully.

Nervously, Méabh balanced on the tight rope in hope of winning the competition to be in the circus.

The ferocious villain magically summoned all her might to defeat the running victim .

Happily, Emily was teaching Méabh about birds and the outdoors while Méabh was patiently waited for break.
