Safeguarding Reminders...

To ensure that our school is fully reflecting the Safeguarding and Child Protection regulations set out by DENI, parents are not permitted to visit classrooms without the permission of the Principal. Parents needing to speak to the class teacher must report to the office, where an appointment will be made to facilitate this request. For urgent meetings with a class teacher the Principal will arrange for the class teacher to come to the office to meet with the parent. Children who arrive at school after 9.00am must be left at the main door. Parents are not permitted to escort them to their cloakrooms or classrooms. This is by no means to take away from our Open Door Policy and therefore I ask for your full cooperation with this matter.

Once again November has been a busy and exciting month in school. In a response to parental and pupil questionnaires, we have organised a number of great after school clubs. We appreciate that there is a tremendous demand for these clubs and will continue to explore ways to meet the demand and further improve the opportunities on offer.

On Monday 4th November all staff engaged in training on a whole school approach in the teaching of reading and promoting a reading for pleasure culture within the school. Consequently, staff and pupils are sprucing up their classroom library corners and engaging in fun reading activities. We hope to have more guided reading resources into Foundation Stage and Key Stage 1 in the next term. All children celebrated book week during the week of 19th November.

On Thursday 8th and 22nd November staff availed of ICT training on developing film and animation skills provided by

Creative Learning Centre Nerve Belfast. This training will culminate in our school leading a presentation of Best Practice at the Odyssey in May 2019!

Week beginning 12th November the school celebrated Anti- Bullying Week and the children took part in a range of classroom activities looking at Respecting Differences. The Odd Sock Day and wear Yellow for Respect both proved very enjoyable and thought provoking experiences. The Primary 5 pupils had a wonderful morning with HIP exploring ways to deal with Bullying.

As a staff we reviewed our Anti- bullying Policy and a draft policy is on the website. We would appreciate your comments on this policy.

The School Council met and together developed a child friendly Anti-bullying Policy which they will share with all pupils on Friday 30th November.

On Friday 16th November the Digital Leaders attended a workshop on Coding at the Apple Store. They enjoyed their day and the McFlurry's on the way home!!

The whole school came together on Tuesday 20th November to celebrate monthly Mass with Fr Henry. This was a wonderful experience which we would encourage parents or grandparents to attend with us. The children were a credit to their families!

Friday 23rd November saw the P4 children take part in their first visit to the library. Great fun was had listening to the stories and perusing the books. They are looking forward to their next visit on Friday 14th December.

P6 and P7 pupils had a great day at St Patrick's Grammar on Wednesday 28th November.

As part of our Active Travel initiative the children came to school wearing bright clothes on Thursday 29th November to stress the importance of Ditching the Dark to be safe when walking or cycling during the Winter.
